

Peterson Announces 9th 'No Roof Left Behind'

Peterson Roofing in Mount Prospect is accepting nominations for the 9th "No Roof Left Behind" campaign.

This program provides free roofs to local community members in need. Nominations are being accepted at www.petersonroofinginc.com/help-us-give-back through Aug. 3.

The process is simple. Anyone can participate and nominate a friend, neighbor or family member in need of a new roof. From the submissions, four finalists will be chosen for the final online public voting campaign.

The four finalists' stories and photos will be displayed on the company's website as well as the "No Roof Left Behind" homepage.

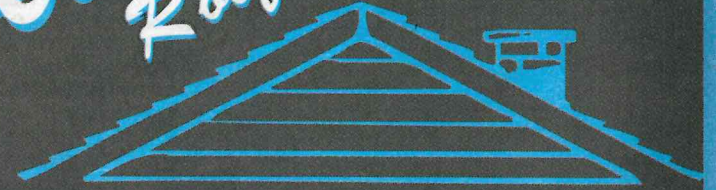

From Aug. 13 through Sept. 19, the public will be able to vote for the finalist they feel is most deserving. The winner will be revealed online on Sept. 24.

Nominees must own the home they are living in and be a resident of northern Cook County. Also, the free roof recipient must be current on his/her mortgage payments. A team of local volunteers will review all the nominees and four will be selected as finalists.

Peterson Roofing joined the "No Roof Left Behind" initiative as a way to give back to the local community that has been so good to them for 40 years.
