Roofers Glad To Give Back

BG Veteran, Family Win Contest

A Buffalo Grove military family on July 4 was named the winner of Mount Prospect-based Peterson Roofing's "No Roof Left Behind" initiative.

David and Yosi Puma recently transitioned out of the military. According to Jim Peterson, Jr. of Peterson Roofing, the transition to civilian life has been a difficult one for David, who has struggled with disability.

The family recently purchased a home at 291 Melinda Ln., Buffalo Grove, with hopes of making it on their own. However, with the recent addition of their second child, plans for a

new roof were put on hold.

Currently, David is working toward his Bachelor's degree and hopes to start a new career soon. Meanwhile, the roof continues to get worse and is in need of replacement.

"We are so honored and thrilled to have won the free roof," Puma said. "We feel blessed that the community supported our family. What a wonderful surprise, on Independence Day no less."

Peterson Roofing has scheduled the project from 10 a.m. to 2 p.m. Saturday, Aug. 6, weather permitting. The entire community is welcome to attend the

"We are very pleased with the success of this initiative, that has brought so many members of our community

together," Peterson, Jr. said. "We are excited to give back to a family that has given so much for us."

No Roof Left Behind is a na-

tionwide program. It provides a local contractor with the framework to provide a new roof at no cost to a deserving homeowner in need.
