

Glenview Terrace's Post-hospital Rehabilitation Gets You Home Faster, Safer

If you or a loved one has been hospitalized for an orthopedic, cardiac, neurological, respiratory or other medical condition, Glenview Terrace's one-on-one therapy can help get you back on your feet safely and quickly. Glenview Terrace also has the expertise to help you avoid being re-hospitalized after your surgery.

Receiving one-on-one therapy for better results

Known as a pioneer in post-hospital and orthopedic rehabilitation, Glenview Terrace provides one-on-one physical, occupational, speech and respiratory therapies seven days a week. Patients receive an individualized and effective treatment plan. At a faster recovery time, a smoother transition back home and successful clinical outcomes. At Glenview Terrace has safely returned patients back to their homes, jobs and lives within as little as seven to ten days.

Complete rehabilitation services in two exclusive wings at its two exclusive rehabilitation

Terrace offers an aggressive blend of traditional and advanced rehabilitation services to help patients thoroughly recover and improve function, restore mobility, balance and strength.

The comprehensive, unparalleled post-hospital rehabilitation services at Glenview Terrace include: post-surgical and orthopedic rehabilitation, neurological, cardiac and stroke rehabilitation, respiratory therapy, wound healing program, around-the-clock medical and rehabilitative nursing care and much more.

Exclusive orthopedic pavilion at Glenview Terrace

Complete with its own private entrance, lobby, gym and dining room, the Orthopedic Pavilion at Glenview Terrace is home to the North Shore's leading orthopedic and joint replacement recovery program. Here, patients will receive unsurpassed therapy delivered by top orthopedic therapists proven to help them recover quickly and safely from: total hip or knee replacement surgery, hip or femur fractures, ankle replace-

Peterson At Work

Peterson Roofing in Mount Prospect, which performs roof work throughout the entire area, in 2017 tackled a challenging roof project at Southminster Church in Arlington Heights.

Over 50 Years Worth Of Vasey State Farm Service Second To None

The Vasey State Farm Agency has served Glenview, the North Shore, surrounding suburban areas and Chicago for over 50

years (including the railroad tracks at Lehigh), the Vaseys continue to embrace their original approach to how the agency should do business.

to none and an experience that exceeds their expectations."

Fifty years of experience has shown that unexpected events
